**Re: Director Approved CE Training Assessment
Course ID: 5047**

January 7, 2011

The Manager, Certification, Training and Client Services from the Ministry of the Environment who is appointed Director has approved our CONFINED SPACE HAZARD RECOGNITION Training for a value of 0.7 CEUs.

Director approval will allow us to grant 0.7 CEUs to Water Systems Operators and Water Quality Analysts upon successful completion of the training program.

Valley Consultant Resources is committed to offering the best in occupational safety and health training and it is our intent to pursue further MOE approvals.

Please contact Richard Allemeersch @ 519 979-1874 or myself should you require further information or a copy of our latest course listing.

Thank you for your business!

Safest Regards,

**Lyall Hodgson
Consultant/Training Director
